GET READY TO RELAY, FROSTY MOSS STYLE!

Welcome to the Green Season.

Mini Mossers, prepare yourself for some fun running across the North Olympic Peninsula. The Mini Moss of the Frosty Moss Relay is 30-ish miles along the paved Olympic Discovery Trail and a small amount of roadway. Expect big trees, ferny forests, mountain and saltwater views, and, of course, moss as far as the eye can see.

Also: Keep an eye out for banana slugs. Sometimes they show up where you least expect them!

This event guide will help your team get ready to relay. Please read it before arriving at the start line.

We like to think of Mini Moss as a running party. As your hosts, we want you to have an unforgettable experience. The Olympic Peninsula is a unique region with intense biodiversity and ever-changing microclimates. It's also a really fun place to be outside year-round.

We also value safety—yours and that of the communities we'll be traveling through. All roadways and trails are open to the public during Mini Moss. Follow all traffic laws, drive safely, and be great examples of relay runner etiquette.

If you have any questions, message us via the Frosty Moss Relay Facebook page or email us at contact@peninsulaadventuresports.com.

TEAM CAPTAINS RESPONSIBILITIES

As the team captain, your job is to make sure your team is prepared for Mini Moss Relay.

- **Meet as a team** in advance to review the event guide so everyone is aware of the rules, schedule, leg maps, exchange zone procedure, cutoff time, etc.
- **Complete the team roster** and bring it to packet pickup. Forms are at the end of this guide and on the website.
- **Log on to RunSignUp** and ensure that all of your team members have registered.

PACKET PICKUP

Team captains must attend the debrief/packet pickup on Friday, Feb 25. Stop anytime between 6 p.m. and 9 p.m.

7 Cedars Resort
270756 US-101, Sequim, WA 98382

IMPORTANT! BRING THESE ITEMS TO PACKET PICKUP & START LINE

Be prepared! Team captains should arrive with these items:

- ❑ **Team Roster:** Included at the end of this guide and downloadable at FrostyMossRelay.com. Complete all roster info in advance.
- ❑ **Required Gear:** Reflective vest, headlamp or flashlight, blinkie light. Minimum one each per team. Ideally every runner will have their own set.

LODGING

RELAY DAY SCHEDULE & FINISH LINE CELEBRATION

Mini Moss Relay start times

Wave 1: 1:00 p.m. start. Check-in starts at 12:00 a.m. Estimated team pace 11-12 minutes per mile

Wave 2: 12:30 p.m. start. Check-in starts at 1:30 p.m. Estimated team pace 9-10.5 minutes per mile

Wave 3: 2:00 p.m. start. Check-in starts at 1:00 p.m. Estimated team pace 7-8.5 minutes per mile

Location: Ediz Hook, Port Angeles, Washington. Go to the far end of the hook, about 1.5 miles out.

Directions from Port Angeles: From downtown Port Angeles, drive west on Front Street. Front Street will turn into Marine Drive, continue 2 miles. You will drive through the paper mill and continue out onto Ediz Hook. In 1.5 miles you will see the race start. It is just before the entrance to the Coast Guard base.

Course cut offs:

Teams must reach the **end of Leg 5 by 6:00 p.m.** If your team does not arrive in time, you are required to skip the next race leg, and start again at the start of Leg 7 at Carrie Black Park.

Teams still running prior legs around cutoff time may also be sent to the finish line at the discretion of relay staff.

After-relay food, beer, and awards at 7 Cedars Resort 6-10:30 p.m.

REQUIRED GEAR

All teams are required to carry the following gear. Runners must use this gear at dark, in low-light conditions, and when running on roadways. Race personnel will check team gear at the start line.

- ☐ Reflective vest
- ☐ Headlamp or flashlight
- ☐ Blinkie light

RULES

Mini Moss Relay goals: Have fun. Be safe.

Rules in a nutshell: Make good choices. Do no harm. Be cool.

Runners or support crews repeatedly violating rules, creating hazardous situations, or demonstrating unsporting behavior may be DQed and asked to leave the course at race directors' discretion. No refunds will be made to DQed individuals or teams.

Teams must comply with officials from Frosty Moss Relay and those of the jurisdictions the relay travels through, including but not limited to: Clallam County, Olympic National Park, Washington Department of Natural Resources, Cities of Port Angeles/Sequim/Blyn, Jamestown S'Klallam Tribe, all law enforcement agencies (state patrol, tribal police, border patrol, etc.). Frosty Moss Relay officials include race directors, exchange crews, communications team, course marshals, parking monitors, and all other volunteers/staff.

Teams: Consist of 2, 3 or 4 runners, as registered in advance.

Leave no trace. The Olympic Peninsula is an amazing place. Keep it clean and pristine. Use porta-potties and public restrooms. Carry all your trash with you. Pick up litter if you see it. We strongly encourage teams to carry reusable water bottles and minimize their overall trash footprint. Make it a team challenge to see how little trash you generate during relay day!

Team vehicles: Teams are limited to **one on-course vehicle**, ideally a van, minivan, or SUV. No motorhomes, limos, buses, or tow-behind trailers.

Follow all rules of the road. Drivers must obey posted speed limits. Use extreme caution at exchange points: Watch out for people and vehicles. Park well off the roadway. If the exchange is crowded, park a safe distance away and walk to the exchange.

Team vehicle signs: Relay participant signs will be issued to each team vehicle and must be displayed on the dashboard.

Vehicle decorations: Teams are welcome to decorate their team vehicle, but your decor should be family-friendly and should not impede the driver's vision or overall safety. No obscene and/or derogatory vehicle decor (as determined by the race directors) will be allowed.

Race numbers: Must be worn on runner's front torso while on the course.

Relay baton: Must be carried by the active runner at all times throughout the relay.

DNF Cutoff: Teams must reach the **end of Leg 5 by 6:00 p.m.** If your team does not arrive in time, you are required to skip the next race leg, and start again at the start of Leg 7 at Carrie Blake Park. Teams farther behind will also be sent to the finish line when they reach the end of their leg. In these cases, teams will receive a DNF (no race time) but are encouraged to hit the party time to celebrate your mossy adventure.

Runner Rotation & Dropouts

- ❑ Runners must swap at every exchange zone. **Runners may not run consecutive legs.**

- ❑ Follow the rotation on the roster your team captain submits in advance to the race directors. If a runner drops out for any reason, the next runner in rotation takes over and the remaining runners continue to the finish (without the dropped runner). Teams must notify the next exchange monitor of the dropped runner and change in rotation. Monitors will in turn notify the relay directors.

Exchange Zone Procedure

- ❑ Waiting runner checks in with exchange monitor, who checks their bib number, marks the team as “ready,” and directs runner to the designated exchange zone.
- ❑ Returning and departing runners meet inside the exchange zone and swap the baton.
- ❑ Returning runner checks in with exchange monitor, who checks their bib number and marks the team as “leg complete.”

Navigation: Runners should review their assigned legs in advance. MapMyRun links for each leg are posted on the Mini Moss Course Overview page at FrostyMossRelay.com. We encourage you to bookmark AND print your assigned legs from MapMyRun. Download the GPS tracks to use on your favorite app. Cell coverage is unreliable.

If a runner makes a wrong turn, they must return to the course on foot to the point where the error occurred and resume the race. The course will be marked with signs, arrows, and confidence markers (streamers hung at possible wrong turns and other tricky spots). That said, things happen beyond our control, like rain or wind obliterating markings after it is too late to fix, or someone vandalizing our markings without our knowledge. **UPSHOT: YOU are ultimately responsible for navigating the course - we have provided you with all of the tools to do so. Team captains, this means you are responsible to ensure that each of your team members knows their way.**

When running on the ODT, run on the right. Call out your passing (“Passing on your left!”). Walkers and horseback riders have the right of way. Cyclists should give you the right of way but won’t always see/hear you around corners. Pay attention to your surroundings. You don’t want to surprise a bear or cougar.

On roadways, run on the left. Runners must run along the left shoulder of roadways unless instructed otherwise by a relay official or course marker.

Shadowing runners: Vehicles cannot trail, follow, shadow, or leapfrog their runners. Team vehicles may not stop along the course to provide support (food/drink/verbal encouragement). Runners should be self-sufficient with carry fluids, fuel, layers, reflective gear, and other essentials. Team vehicles may stop only at the designated exchange. Team vehicles MAY NOT stop on the road shoulder. EXCEPTION - after dark, a team member join the assigned runner for that leg - to avoid confusion at the exchange zone, make sure only the assigned runner passes through the exchange spot.

Pets: Pets are not allowed on the relay course, exchange zones, finish line, or after-race celebration.

Bicycles: Bicycles are not permitted, except for the on-course bike sweeps.

Headphones/earbuds: No headphones may be used when running along roadways. We strongly discourage headphones. If you do use them, the volume must be low enough that you can

hear your footsteps and other people or animals around you. Remember: You are running in cougar country!

Inactive runners: Teammates and support crew must remain off the roadway and clear of the exchange zone.

Quiet zones: Be considerate of our communities. All legs and exchange zones during dark hours are designated quiet zones. No audible music outside support vehicles, no shouting or honking of horns, etc.

Cover up! Please be discreet when changing clothing or using the restroom, and pack out your trash, toilet paper, etc.

CELLPHONE & EMERGENCY INFO

CELL COVERAGE CAN BE SPOTTY TO NONEXISTENT ON THE OLYMPIC PENINSULA. Verizon offers the widest coverage, but you may still find yourself in areas with no cell service. Be prepared with printouts of this guide and leg sheets!

Turn off international roaming. We're about 12 miles from our northern neighbors. Your phone may welcome you to Canada, especially in the first half of the course. International data charges add up fast!

In Case of Emergency or Other Assistance

- For true emergencies (vehicle accident, major injury/health issue, etc.), dial 911.
- For other types of assistance on relay day, check in with an exchange zone or on-course volunteer, who will call a race director if necessary.
